Summary

Final-year B.Tech CSE student with a foundation in web development and problem solving. Experienced in building responsive applications using Web Development. Passionate about continuous learning with strong teamwork, communication, and organizational skills.

Education

ABES Engineering College

Nov 2022 – July 2026

B.Tech in Computer Science and Engineering

- **CGPA:** 7.95
- **Coursework:** Database Management Systems, Operating Systems, Data Structures and Algorithms

Experience

Frontend Developer Intern (HTML, Tailwind CSS, JavaScript)

Remote

CODEXINTERN

1 July 2025 - 31 July 2025

- Designed responsive applications to deliver a seamless user experience. Improved engagement through intuitive layouts and optimized performance.
- Integrated Web3 forms to enable users to send feedback directly, improving user engagement and interaction.

Projects

Tourism (HTML, CSS, JavaScript)

- Developed a responsive tourism website to showcase Indian heritage, natural beauty, cultural landmarks and lesser-known destinations, increasing audience reach and engagement.
- Improved website interactivity with smooth animations and optimized performance, providing fast load times and an intuitive and pleasant browsing experience across devices.

Food Delivery (React, HTML, CSS)

- Developed a responsive food delivery application providing a seamless and user-friendly ordering experience.
- Implemented interactive UI components and optimized layouts for mobile responsiveness.
- Integrated Web3Forms to enable user feedback submission and designed with dark mode support for enhanced user experience.

Financial Performance Dashboard (Power BI)

- Developed an interactive dashboard to visualize key financial metrics including revenue, expenses, and cash flow. Implemented actual vs. budget comparisons to identify financial deviations and trends.

Technical Skills

Languages: Java, OOP, SQL, HTML, CSS, JavaScript, React(basic)

Developer Tools: Power BI, Oracle, MySQL, VS Code, Github, Vercel

Certifications

- Problem Solving Basic (Hackerrank)
- Data Analytics Essentials (Cisco Networking Academy)
- Python Essentials 1 (Cisco Networking Academy)
- Frontend Development Internship (CODEXINTERN)

Achievements

- Completed the Aarambh 2.0 bootcamp
- Undertook a Women Entrepreneurship Development Program.
- Participated in the Smart India Hackathon
